# What makes The Barn at Avington unique?

## **Having lots of days means more time for a lot more fun!**

We offer something truly unique at The Barn at Avington as we believe a wedding 'day' is never enough. We feel that all couples should enjoy the celebrations and fun over several days!

We have a limited number of dates each year, so you can spend Monday – Monday (subject to availability) setting up and celebrating before and after your wedding at The Barn.

## **Package price for 2027 £11,800.**

Please contact us for bank holiday rates.

**The Barn:** Our industrial barn has been transformed into a stunning, light space, which is a blank canvas for you to style however suits you.

**Outside The Barn:** we have a beautiful garden surrounded by festoon lighting and just a short walk from there is our stunning riverside ceremony area.

Our Event Manager, Stacey and her professional team are on hand to manage the day and help bring your plans to life.

**Accommodation:** We have our award winning 5\* cottages which sleep up to 12 (Fri- Mon included in package price). Camping is available in our adjacent field enabling guests to be part of the wedding weekend.

We work closely with a fantastic company who have quirky bell tents available for hire which are pitched ready for your guests ahead of their arrival. Guests are also welcome to bring their own tents or campers.

We also have the beautifully secluded Quarry, perfect for your Friday night BBQ and games.

For the newlyweds, we are excited to offer our brand new Shepherds Hut for those wanting a little more luxury glamping!
