WHAT MAKES THE BARN AT AVINGTON UNIQUE...

Time: A full wedding WEEK!

We offer something truly unique at The Barn at Avington as we believe a wedding 'day' is never enough and that each couple should feel truly special. We have a limited number of dates each year, so that you can spend a full week (Monday - Monday) if you wish, at The Barn. Getting ready should be part of the fun and the celebration should be spread over several days!

Accommodation: Holiday cottages and Camping

We have our award winning cottages which sleep up to 12 and a field for campers. We recommend amazing companies who have cool and quirky tents pitched for your guests ahead of their arrival or guests can BYO tents / campervans. We also have the beautifully secluded Quarry, perfect for your Friday night BBQ or romantic glamping for two.

Our Location: Blissful countryside

Adjacent to the River Itchen and surrounded by our 500 acre farm, The Barn at Avington is in the most peaceful location. While also being only 15 minutes from the M3.

The Space: Industrial Chic

Our industrial barn has been transformed into a cool and light space, which is your blank canvas to style to suit you. Event Manager, Beth, is on hand to help bring your plans to life. Outside The Barn we have a beautiful garden surrounded by festoon lighting and just a short walk from here is our stunning riverside ceremony area.
